

Connect

A brand-new learning community that will put you in touch with the people, resources and knowledge to help your church change lives.

Who is Cinnamon Connect for?

Cinnamon Connect is for anyone who wants to see Christian social action make a difference in their community.

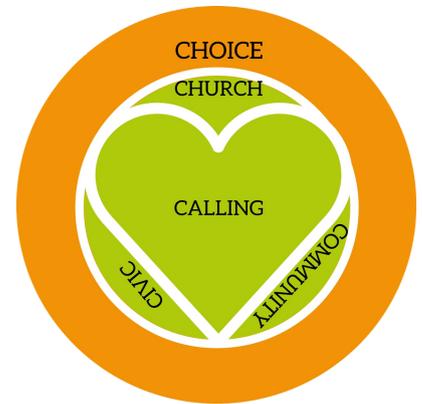

It doesn't matter if you're just starting out or have been doing this for years - if you want to see God's love transform your community, this is the place for you.

Wisdom in bite-sized resources

We've taken the many years of experience built up by Cinnamon Advisors and community development specialists and distilled it into practical, bite-sized resources.

It's the go-to place for everything from how to discern your calling and get your church on board, right through to the practical stuff around building a fundraising strategy and managing volunteers.

Develop your tailor-made strategy

There is no one-size-fits-all when it comes to community development. In Cinnamon Connect, you can use the range of resources, tools and activities to build your own, personalised plan.

And we'll guide you through actions and tasks that will help you to get where you want to be. You can share the plan with others, update it and add to it as you go.

MISSIONAL LISTENING

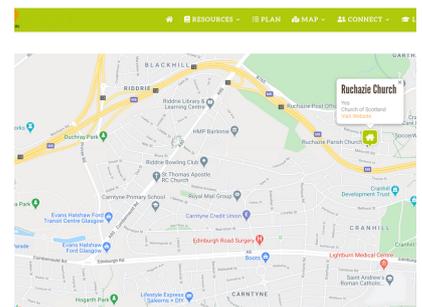

How do you know that God's plans for your community are the same as yours? This step by step guide will help you listen to God and to your community more effectively. Ultimately, it will help you to make plans for a social action project that will succeed.

Expert advice at your fingertips

Have you ever been asked for advice on a tricky topic and wish you'd had an expert on hand?

Well, with our library of webinars and downloadable resources on everything from young people's mental health to building partnerships you can tap into a vast pool of knowledge.

Understand your community better

Build a complete visual picture of what's going on in your community with our interactive mapping tool.

Use the tool alongside our other resources and you'll be able to get under the skin of your community and understand what's going on from a fresh perspective.

Connect and learn with others

We love the sentiment conveyed in the Message translation of 1 Thessalonians 5:11 “Build up hope so you’ll all be together in this, no one left out, no one left behind.”

Within this vein, we're not protective or precious about our knowledge and expertise - it's ours to share! So we encourage everyone who joins Cinnamon Connect to adopt the same approach.

Sharing our common desire to see our communities transformed by God and united by our love for Jesus, we're here to collaborate, challenge ideas, and reflect on our journeys.

Get one to one support

Sometimes you just need to chat to someone - and thrash an idea around. So, through Cinnamon Connect you can get in touch with our Cinnamon Advisors and even request a buddy to help you stay on track.

If you need help with a bigger project - we'll help you work out what support you might need and how to get it

Training on tap

Develop the skills and in-depth knowledge you need for the challenges ahead with our Cinnamon Training Series, Webinars and Forums. We cover everything from how to manage a volunteer force to responding to food poverty.

You'll learn from experienced trainers and experts in their field- and will be able to ask questions and hear from your peers to put the knowledge into context to help you plan for the future.
